Re: Give Kids a Smile! Program

Dear Principal Bruszka,

On February 5, 2010, the New Jersey Dental Association (NJDA) will be sponsoring the Give Kids a Smile! day of free dental care for children ages 12 and under. For seven years, this annual program has provided free dental care to over 13,000 children, regardless of family income. In 2010, the NJDA will continue its efforts to combat tooth decay, the number one chronic childhood disease in America. I ask that you please pass this information along to your students and their parents.

To participate, a parent must make an appointment with one of the 80 participating locations across the state. For your convenience, I have attached a brochure for the program as well as a list of participating locations.

If you have any questions or concerns, you may wish to consult NJDA's Give Kids a Smile! website at www.njda.org/gkas or contact my office at (732) 247-3999. I hope you are able to assist your students with this information. Thank you for your time.

Sincerely,

Assemblyman Upendra Chivukula

District 17
