

THIRD GRADE CANNED BOOK REPORT

What you need:

One clean, small, empty can
Ruler
Measuring tape
Pencil
Construction paper
Scissors
Glue
Crayons or felt-tipped marking pens

What you do:

1. Measure the height of the can and the distance around it.
2. Add one inch to the distance around, and cut construction paper to match these dimensions.
3. Draw a picture of the sport you read about on the construction paper.
4. Write your name on the piece of construction paper.
5. Wrap the construction paper around the outside of the can and glue in place.
6. Using the bottom of the can as a pattern, outline six circles.
7. Cut out the circles making them a bit smaller than the size of the can.
8. Write the following information on the circles:
 - Name of book
 - Author's name
 - Number of pages
 - New vocabulary words you found in the book
 - A short summary of the book (use two circles)
9. Put the circles in the can and bring into school on or before **Friday, February 19, 2010.**
