

**OUR LADY OF LOURDES SCHOOL
MILLTOWN, NJ 08850**

In an effort to gain positive publicity for our school, local newspaper photographers are invited to school activities. The pictures may be published in a local newspaper. Video clips may be sent to the Milltown Borough television station, Channel 22.

On some occasions, we would like to include names of students that may be pictured in the school activity. Parental permission is required to print the names.

We also have a school website, www.ololschoolnj.org, on which pictures may be used to highlight our school.
