

Fifth Grade  
Summer Homework 2012

1. Complete the four math worksheets on multiplication and division. You must show all work for full credit, therefore attach a separate sheet of paper with work if needed (include name and page number for each page). Keep all worksheets and work shown together. This will count as your first math grade upon your return to school. This must be turned in by September 7, 2012 for full credit. There will be 5 points deducted each day work is late.

2. Select a book that you would enjoy reading over the summer.

Book Requirements:

- historical fiction or nonfiction book
- 150 to 200 pages

What to turn in:

A. Book Cover

- Create a hand drawn book cover including (paper provided):
  - Book title, author, your name, and grade
  - Illustrations must be colored (be as creative as you like)

B. Book report inside book cover to include:

- a book report of at least 100 words describing what happened in the story
- Include information about the characters, setting, and the problem/solution
- Book report should be typed using 12-14 size font
- place book report inside book cover and turn in by September 7, 2012
- There will be 5 points deducted each day work is late.

Have a safe and peaceful summer,

Mrs. Conaway

# Dividing Whole Numbers

## Sick Bunny

Divide and show your work. Then, cross out the boxes with the matching answers in the letter grid below. The remaining letters will answer the riddle.

1.  $3 \overline{)86}$

2.  $4 \overline{)67}$

3.  $9 \overline{)97}$

4.  $4 \overline{)93}$

5.  $4 \overline{)69}$

6.  $3 \overline{)79}$

7.  $2 \overline{)37}$

8.  $7 \overline{)92}$

9.  $7 \overline{)186}$

10.  $3 \overline{)193}$

11.  $7 \overline{)296}$

12.  $9 \overline{)471}$

What do you give sick rabbits?
