Independent reading

Student Activity 1 Research Projects

Students research topics from Egyptian culture and create a **research report**. Topics include: papyrus, pyramids, Egyptian life, archaeology, sphinx, tombs and mummies, gods and goddesses, kings and pharaohs, and hieroglyphics.

Student Activity 2 Family and Relationships

Students make a special Mother's Day card that April might give to her grandmother.

WHEN WRITING A RESEARCH REPORT

BE SURE TO:

- ✓ Select an interesting topic that isn't too broad or too narrow.
- ✓ Locate and evaluate information from a variety of sources.

- ✓ Take notes and make an outline.
- ✓ Clearly state what the subject of the report is somewhere in the beginning.
- ✓ Write clear topic sentences and give facts to support them.

- ✓ Draw diagrams or pictures if you need them.
- ✓ Come to a conclusion about your topic or summarize the main idea at the end of the report.
