

# SNOW ANNOUNCEMENT

Dear Our Lady of Lourdes Parents and Guardians,

For snow delays and closings, a decision will be made by Sister Elizabeth by 5:30am as to whether or not school will be in session for that particular day. A Honeywell Instant Alert Message will be sent out as soon as a decision is made. Listed below are the various options for learning about a delayed opening or closing. This also applies to an early dismissal for inclement weather. Please be sure to check the sources below if the weather during the day seems as though it might force us to close.

**PLEASE DO NOT CALL THE SCHOOL -**  
**A PHONE MESSAGE WILL BE SENT FOR ALL**  
**CLOSINGS/DELAYS.**

- 1) Honeywell Instant Alert Announcement (make sure you registered and all numbers are current)
- 2) Our website at [www.ololschoolnj.org](http://www.ololschoolnj.org)
- 3) WCTC Radio Website at [www.wctcam.com](http://www.wctcam.com)
- 4) Go to the WCTC link on our school website [www.ololschoolnj.org](http://www.ololschoolnj.org)
- 5) Channel 12 (for cable subscribers only)

Delayed opening time is **9:30 AM**. Please be advised that it is possible that a delayed opening can become a full day closing if the weather conditions worsen, so check the above sources again before sending your child to school.

**Note:** If you are a **BUS STUDENT** please be sure to check if your town has a delayed opening or is closed for the day to determine bussing services for your child. Transportation is through your home town, not OLOL, so if the schools in your town are closed or delayed, you might not have bussing for the day and will have to transport your child/ren to and from school.

Thank You,

Sister Elizabeth Halaj  
Principal
