

Dear Parents,

I want to thank you for all your kindness during the school year.

As always I have a few reminders. Please remember to use sun screen on your children, also use insect repellent. Sun screen needs to be reapplied during the day. Perspiration and swimming wear it away. Hats and long sleeve, light weight shirts are a big help in protecting skin.

As you know you will have a new nurse next year. Mrs. Kathleen Carraturo, RN will start in September. She will be at school on Tuesday and Thursday. Please make her feel welcome. Remember all students need to have an annual dental exam and a well child physical at least every three years. These forms can be down loaded from the OLOL web site. Please send these forms into Mrs. Carraturo as soon as the exams are completed.

All Kindergarten and Pre K students need a pre entrance well child physical form completed with a copy of immunizations to enter school in September 2010. All Kindergarten students also need a dental exam. NJ State law requires these be submitted within 10 days of school starting.

Remember **NO** medications can be taken at school without a written order from your child's doctor and a signed parental permission slip. All medications must be in the original pharmacy labeled container. Over the counter medications also require a doctor's order. **NO STUDENT CAN CARRY MEDICATION TO SELF ADMINISTER.** This is a State law. The nurse can give you the necessary forms.

Have a wonderful summer, be safe and healthy!

Remember to KEEP CLIPPING BOXTOPS! Our goal for 2010-2011 is 20,000, this will earn OLOL \$2,000.00! Ask everyone you know to help us reach our goal.

I will continue as the BOXTOPS coordinator next year and will be expecting a huge number of BOXTOPS in September!

Yours for the children,

Ann Marie Simma, RN
6/11/2010

Campbell's Update

Just wanted to send out one last Campbell's update and "Thank You" before the school year ended. After emptying the bins in both the school and church, we will be making a final submission of over 2,000 points. Along with the submission, we will be ordering some new basketballs, kick balls and other playground toys. Now, thanks to all of you, when your children come back to school in the fall, they will have fresh new toys for recess.

This has been a good year for OLOL with Campbell's LFE. We submitted over 11,500 points, received over 6,200 points in Program Bonuses and incentives that we participated in, and received 1,000 points for Education Bonuses for the D.A.R.E and G.R.E.A.T. programs. With this, we ordered some new crayons for the preschool, but the big purchases were a lot of new physical education/gym equipment and, as above, new playground toys.

We want to thank you all once again for your support and submissions.
As you can see, each and every label is helping our school.

Below is a list of some of the participating Campbell's products. Please submit either the entire label, the UPC code or the point value certificate.

All Campbell's Soups

(Select Harvest, Condensed, Microwaveable, Shapes, Soup at Hand & more)

Campbell's or Franco American Spaghetti O's Pasta

Campbell's Beans, Gravies and Canned Pasta

Prego Pasta Sauces

Swanson Broths & Canned Poultry

Campbell's Tomato Juice

Pepperidge Farm breads, Cookies, Crackers, Gold Fish &

Frozen Products

Campbell's Supper Bakes Meal Kits

V8 and V8 Splash Beverages

Market Day Products

(Visit labelsforeducation.com for a complete list of products)

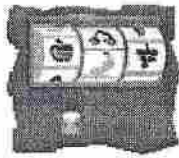

Don't forget to ask friends and family members to collect labels too

Wishing you all a blessed summer!!! And, don't forget to keep "clipping" during the summer months and send your labels back to school in the fall.

Janine Giske
Campbell's LFE Coordinator
